

## What is Local Link?

Local Link (formerly "Rural Transport") is a response by the government to the lack of public transport in rural areas. Flexibus is the Local link Transport Co-ordination Unit that manages rural transport in Louth Meath & Fingal.

### Services available for:

- Anyone in rural areas with limited access to shopping, banking, post office, and social activities etc. regardless of age.
- People who are unable to get to hospital appointments.
- People with disabilities / older people who need accessible transport.

### Advantages of Local Link services

- Services are for everyone who lives in the local area
- We accept Free Travel Pass or you can pay.
- We pick up door to door on request.
- Services currently provided are the services your community has told us you need!
- If a regular service is needed in your area let us know and we will look to provide one.
- New passengers are always welcome!
- We appreciate feedback.
- We have rigorous safety checks.

### HOW DO I BOOK?

*To travel on a Louth service please contact service operator overleaf, or Flexibus office on 046 9074830 or 1800 303 707*

### What Local Link Services are available to the rural community?
